

SPIRULINA GOLD PLUS®

Earthrise® Spirulina Gold Plus® is a proprietary and advanced form of Spirulina for brain & heart health.* It is produced using a special process resulting in high levels of Zinc & Vitamin C, Carotenoids and the natural blue protein Phycocyanin for enhanced antioxidant & immune protection.* It protects the brain & heart against oxidative damage.*

Earthrise is the world's largest producer of Spirulina and #1 in green food units sold in the United States. For over two decades, Spirulina-based products have been our sole focus. All our Spirulina products are grown, harvested and packaged at our own facility to meet the highest standards of quality. Our goal is to be a value-added partner offering exceptional products and programs that help make Spirulina sales grow.
